Use Of Personal Vehicles For Church Business:

In the event an authorized volunteer of The Presbyterian Church of Stanley use their own personal vehicle in the performance of duties for the church and an accident occurs involving that vehicle during the time of such use, the following policy will apply.

An authorized volunteer list will be on file in the church office.

The church will not be responsible for any damage to an authorized volunteer-owned vehicle while it is being used in the interest of the church. Automobile liability protection for the volunteer while using his or her own personal vehicle in the interest of the church will be the sole responsibility of the volunteer.

Parking Of Personally Owned Vehicles On Church-Owned Premises:

It is the desire of the church to provide a safe environment within which volunteers may park their vehicles on church-owned premises. If a physical damage loss occurs to a personal vehicle owned by a volunteer, including vandalism, while the vehicle is parked on church-owned premises, the church hereby absolves itself of any responsibility for such damages.

I have read the above and understand that the church is not responsible for bodily injury liability, property damage liability, or medical expenses incurred by any occupant of the vehicle or third party that occurs during the time my privately-owned vehicle is being used in the business of the church.
