- Pay the summer tuition for each week
- Turn all items into the preschool office
- Registration will be on a first-come, first-serve basis

The Presbyterian Church of Stanley is excited to offer 'Summer Camp at PCOS Preschool' to preschool families, church members and the community. The summer program will include reading great books, Bible stories, cooking, science experiments, lunch-from-home picnics, outside games, water days, art projects, center play and so much more!

We use developmentally appropriate curriculum with appropriately equipped rooms, so children can learn through individualized experiences of growth and development. The program has the enthusiastic support of the church as children are invited to learn and grow together in a church environment under the guidance of highly qualified, nurturing staff, teaching with the foundation of Christian principles.

**Registration is on a first-come, first-serve basis. We have limited spots available and registration will close as soon as all spots are filled.**

| HOURS:<br>9:30-2:00p | Select | Tuition Due: \$125 per week |
